

MATH 3070 – THEORY OF NUMBERS

Homework 5

1. You will automatically receive the full 20 points for this Homework.
 - Prepare a piece of cheatsheet for your Midterm Exam. It may contain *any* material you want.
 - Your cheatsheet should be **handwritten**, and be exclusively on *both* sides of **this assignment sheet**. [*1 piece of assignment sheet, **double sided**, letter or A4 size!]
 - Your cheatsheet will be checked before the exam. **Any improper cheatsheet** (*e.g. those prepared on your own scratch paper, those with more than one piece of paper, etc.*) would be surrendered.
